November 2014

Dear Aberdeen Community Master Homeowner Association Member:

Enclosed is the 2015 Budget approved by the Master Board of Trustees.

In 2015, we expect to continue the Community landscaping that was started in 2014 at Miner Road and the Community Center, as well as other Master Association landscaping needs.

We are pleased to announce there will be no change in your monthly Aberdeen Community Master Homeowners Association fees for 2015. They will remain at \$30 per month.

Please visit your Community website www.aberdeenhwa.com for Master Association information, your individual Community news, and available reservation dates for the Community Room.
